Tupelo Area Pickleball Board Meeting

February 27, 2023

The meeting started at 5:04

with discussions about board positions. Motions were made and passed that the secretary will be Dexter Davis, Lan Gooch will be member at large, Grayson will remain treasurer, Andy Burleson is to remain president and Glenn Ross is to remain vice president.

1.Bank signers will be Andy Burleson (president) and Grayson Robbins (treasurer).

2. Discussion of Tournament committee members and tournament dates were discussed. We are looking to have a tournament.

October 21st, 28th or early November (Veterans Day weekend).

3. TAP is looking to join the Tupelo sports council. Some of the benefits of joining the sports council are: manage funds, more programs to generate funds, help with programs, upkeep of courts and equipment, Board to speak at council meetings for pickleball, advertising, most courts available to TAP members only with two courts available for Non-TAP players, use of city facilities for meetings, Post office box expense handled. Downside is they could use some funds if balance reaches a certain threshold.

The meeting was adjourned at 5:34 with all board members present.
